Anna Jegéus

Anna Jegéus - Biography

Anna Jegéus is a Swedish-Korean international actress from Stockholm.
Trained at Cours Florent in Paris and the Lee Strasberg Theatre and Film Institute in New York, Anna comes from a classical acting background which results in her bringing depth, discipline and authenticity to every role she takes on.
Anna also has a background as an international fashion model, as well as in gymnastics, acrobatics and physical theatre. She also has extensive training in modern combat and tactical training for stage and screen, and she is proficient with a range of weapons, and experienced in motion capture and performance capture. Consequently, she can effortlessly take on various physically demanding and action-oriented roles with ease.
Speaking four languages and having a diverse background, Anna is passionate about participating in international productions and lend her unique voice to stories that can resonate with audiences around the world.
