Emefa Hetcheli

Emefa Hetcheli - Biography

Emefa Hetcheli is an Afro-Swedish actress based in Stockholm, Sweden. With a strong passion for film and acting, she has gained valuable experience both in front of the camera and through her studies at Cinemantrix, where she trained for a year in 2021.
Since then, Emefa has gained experience across a variety of projects including TV series, short films and commercials. In 2023 Emefa landed her first supporting role in a Swedish television show *Hack My Heart*. The following year she also appeared in a supporting role in a horror series.
Emefa enjoys diving into different and authentic characters and loves working in both Swedish and English. She also has a passion for dance and singing and enjoys continuously expanding her skills, most recently through her newfound interest in stage combat.
