Leon Mentori

Leon Mentori - Biography

Leon Mentori is a Swedish actor with roots in Malmö, who began his professional career at a young age at Malmö Opera, performing in productions such as *Fiddler on the Roof* and *Matilda the Musical*, in which he played the role of Tommy.
His credits include the Netflix feature film *Let Go* (2024), directed by Josephine Bornebusch, in which he portrays Gabriel, as well as a leading role as Iggy in the SVT series *Up4Noise*. His television credits also include a recurring role as Axel in *Västra Gymnasiet*.
With a strong foundation in music, dance, and the performing arts, Leon has developed a versatile artistic profile that combines acting with singing, music, and dance. His experience spans film, television, and theatre, bringing a broad performance background and a natural on-screen presence to his work.
