Philip Hughes

Philip Hughes - Biography

With a Master Of Fine arts Philip has dedicated his life to the arts. Being versatile and easy to work with is one of the most common responses from directors.
Recently he started posting comedic scenes on Instagram (with colleague Matilda Tjerneld) and the first video went viral and shared by the famous singer Pink.
Their videos now have over **50 million views** and counting.
Always putting the character and story first and working as a team. He is driven to work with people who are humble and dare to be bad on the discovery of something great. He aims for collaboration and loving support to the crew and team. Philip has worked in the industry for 20 + years with both film, tv and theatre. He is fluent in Swedish and English, both British English and American. His father is from England and mother from Sweden. He lives in Sweden but works internationally.
The TV-show: **Whisky On The Rocks** aired on **Disney+** and the show won a **Swedish Emmy**.
