Stefan Popov

Stefan Popov - Biography

Stefan Popov is an actor from Sweden with decent from the Balkans. He started out his acting carrier when he was 11 years old in a local theater where he grew up, after 5 years in that theater group Stefan wanted to try and work in the film industry. In 2017 he landed his first big role in the awarded short film "Gathering". In April 2023 Stefan debuted as one of the lead characters "Julius Novak" in the Swedish television show called "Hack My Heart".

Stefan is described as an hardworking and passionated actor. He takes his job very seriously and goes deep into his characters when he plays them.
